Dear Ms. Creed:

USEI recently submitted a Class 1 Permit Modification on May 06, 2019 to move the air sampling location from the former administrative area to the security building. The permit modules, reflecting the date of the modification, were inadvertently left out of the submittal package due to an administrative error. Please find enclosed the missing redline page for Appendix A of the May 06, 2019 Class 1 Permit Modification.

If you have any questions or comments, please contact me or Rebecca Hogaboam at (208) 834-2275.
